## **Does your bank really know your business? Talk with one who does.**

For many of us, now is a time to focus on what really matters- the health, safety, and wellbeing of our families and communities. As a community bank, we have a passion for supporting the strength of businesses, and in turn, the communities we serve.

At Hillcrest Bank, we believe it is important that we understand each client and business's unique needs. Our commercial and business banking experts offer a comprehensive package, including:

- Personalized **concierge** service
- **Customized** local treasury management support
- Competitive rates
- Advanced fraud protection solutions
- Industry experts who understand your **unique** banking needs
- Competitive Health Savings Accounts
